

May 12 Car Navigational Run - Friday 28th May 2021 - RESULTS

Thank you to everyone who attended the 12 Car Rally. It was great to see so many entries and marshals. The event went well without any major hiccups and all bar one team completed the entire route. We understand some people thought that the timings were a bit lapse but the general idea was to get out in the lanes and just enjoy yourselves.

Results are as follows:

1st - Adrian Beer & Adam Beer - MG ZR

--- - Ben Griffin & Andrew Lowe - Peugeot 106 Rallye

3rd - Andy Hankey & Nathan Coles - BMW 318 Compact

4th - Nigel Hughes & Daniel Pidgeon - MG ZR

5th - Trevor Disney & Ashley Rice - Mini

6th - Pat Blight & Poppy Blight - Peugeot 206

7th - Pete Fowle & Martin Fowle - Nissan Micra

8th - Trevor Rossiter & Aiden Cottrell - Citroen C4

9th - Edd King & Graeme Kendall - Daihatsu Mira

Again, thank you to everyone for entering and to all the marshals for making the effort to come out and help the club run the event. Without your support events like this would not be possible.

If anyone has any questions regarding the route then please feel free to drop Paul or Chris a message. Also if you have any feedback (positive or negative) or suggestions please let us know.

We look forward to seeing you all at the next event.

Regards,

Paul & Chris
